PROGRAM OVERVIEW
HealthPREP is an 8-week summer program for undergraduate and graduate scholars from disadvantaged backgrounds who are interested in health-related graduate and professional schools to enhance skills for competitive admissions. Throughout the summer, students will receive comprehensive GRE or MCAT preparation, opportunities to research, interact with healthcare providers during weekly seminars, and service-learning projects.

HealthPREP@Emory is tuition-free. HealthPREP Scholars who fully participate in the HealthPREP Summer program are eligible to receive a $1,000 stipend.
